

## **Go-ahead from Redcar & Cleveland Council**

MGT Power is pleased to announce that Redcar and Cleveland Borough Council voted today in favour of the Tees Renewable Energy Plant project.<sup>1</sup>

The council vote is a major milestone for the project and its timeliness reflects the Local Authority's professionalism and partnership approach.

The process now passes on to the Department of Energy and Climate Change (DECC), which holds the final decision.

MGT Power looks forward to joining the local business community and delivering a £400 million investment and 150 direct permanent jobs to the area as soon as possible.<sup>2</sup>
